World War One Assessment - 21 points

The past few weeks, we have been exploring the topics of World War One. Today is your opportunity to show what you know! Follow the directions below for each section. Read the questions carefully, check your work, and submit it to me when you’re done.

Section One: Multiple Choice (Each question is worth 1 point)

1. Which of the following was NOT a cause of WWI?
   1. The League of Nations
   2. Alliances
   3. Militarism
   4. Nationalism

2. Imperialism refers to
   1. building up militaries
   2. taking over other countries
   3. cooperating with different leaders
   4. having pride in your home land

3. Which world leader was assassinated and as a result, sparked the start of WWI?
   1. Adolf Hitler
   2. Woodrow Wilson
   3. Franz Ferdinand
   4. Gavrillo Princip

4. What were the two main alliances during WW1?
   1. Triple Alliance and Triple Entente
   2. Central Powers and Allied Powers
   3. Local Powers and Far Powers
   4. Northern Group and Southern Group

5. In what year did WWI begin?
   1. 1914
   2. 1912
   3. 1917
   4. 1918

Section Two: Short Response (Each question is worth 2 points). Please answer all parts to the question and use complete sentences.

1. Explain at least two military tactics, strategies, and/or weapons used during this war. Discuss the impact they both had on the war and the soldiers as well as why they’re important.
2. What was the purpose of the League of Nations?

3. Explain **ALL** of the causes of WWI (MANIA). Your response should define the words and explain how **each** contributed to the war.

4. What was the Treaty of Versailles? What decision did it come to?

5. Do you agree with the Treaty of Versailles? Why or why not?

Section Three: Picture Analysis (Each question is worth 3 points). Please look at the cartoons and respond to the question about it.

1. What does this political cartoon seem to be representing? How do you know? How might this have sparked World War One?
2. Describe trench warfare and life in the trenches. How did it impact soldiers and the war?
